

The Illinois Experience

With a nationally renowned faculty, a rich and diverse curriculum, myriad opportunities for professional training, and the expansive resources of a world-class research university, Illinois Law features a first-rate LLM program designed to introduce international students to the U.S. legal system while also providing the opportunity for specialization in their own area of academic or professional interest.

LEARNING IN PARTNERSHIP

All students – whether enrolled in the JD, LLM, MSL, or JSD program – enjoy fully integrated classroom experience where they learn together and from one another.

SUPERIOR CURRICULUM

Illinois Law's curriculum is both timely and robust, exposing students to a healthy blend of doctrinal law, theoretical perspectives, and real-world skills. Students take a core curriculum that provides them with a solid grounding in essential elements of legal practice and have the freedom to choose from nearly 150 course offerings.

AREAS OF SPECIALIZATION

The Illinois LLM provides the opportunity for advanced coursework in students' own area of academic or professional interest. Illinois has a worldwide reputation in several areas of strength:

- Business, Corporate, and Banking Law
- Commercial Law and Trade
- Corporate and Finance Law
- Criminal Law and Procedure
- Employment and Labor Law
- International Law
- Justice, Democracy, and Legal Rights
- Tax Law
- Technology and Intellectual Property (IP) Law
- US Legal Practice Skills

APPLYING PRINCIPLES TO PRACTICE

LLM students are invited to participate in a variety of learning opportunities that round out their law school experience and prepare them for practice, namely: clinics, competitions, trial advocacy, law journals, student organizations, pro bono, Illinois Global Law Fellows program, and over 100 lectures and events.

2-YEAR JD OPTION

Students who have completed an LLM at Illinois or another accredited US law school can apply for advanced standing to complete the JD in 2 years.

LLM EXTENSION (3rd SEMESTER) OPTION

Students may choose to complete the LLM in 2 or 3 semesters. Some students may apply to complete the LLM degree in three semesters to engage in a more intensive program of study, greater internship opportunities, and additional time to study for the bar exam or LSAT.

“What has made my experience here amazing is the social experience. The professors and students as well as community members are awesome: open, supportive, and very nice to me. I enjoyed feeling like a normal American student, and the work is challenging but manageable. Also the fact that the school let me transfer to JD makes the LLM exceptional here. I'm getting great value for my education.”
